Enclosures 1

Sir,

With reference to your No. 292/65 of the 11th July 1900 regarding the retail price of Ganja, there appears to be some conflict between clauses III & VII of the Retail License and the rates laid down in Government Notification No. 772-Ex-43, dated 27th July 1898. This has given rise to doubts as to what was the real intention of Government It appears to me that Government probably intended to fix a minimum price only, so that a maximum of Revenue might be obtained with a minimum of Consumption.

In reply has the honor to state that the Deputy Excise Commissioner is right in thinking that the prices fixed in the Ganja Rules are evidently the minimum prices, as it is laid down in Condition VII of the License for the retail vend of Ganja that the licenseholder shall not sell Ganja, Majum, &c. for less than the fixed price. Accordingly the Excise Officers should see that Ganja &c. are not sold for less than such prices; and they should not interfere if the licensees can get from the consumers more than the same.
